STUDENT RESEARCH OPPORTUNITIES AND FELLOWSHIPS

WVU McNair Scholars Program - The WVU McNair Scholars Program is looking for highly motivated, disciplined and hardworking college students with demonstrated financial needs, who are either first generation (students whose parents don't have a 4-year college degree) or a member of an underrepresented group i.e. African American, Hispanic American, Native American, Native Hawaiian or Pacific Islanders. Eligible students must be committed to enroll in and complete graduate study, specifically the doctorate (i.e. Ph.D., Ed.D.). The program accepts 25 students including returning students each year. New students participate in our 6 week summer research internship. Returning students have the opportunity to complete their research during the academic year. **Application Deadline: The Program is Currently Accepting New Applicants for the 2017 cohort.** <http://mcnair.wvu.edu/future-scholars>

Traineeship Grants Calmette & Yersin Programme - The aim of the traineeship is to increase the trainee's skills and strengthen the capabilities of the candidate's institute. Thematics: Any subject covered by RIIP institute laboratories: research into infectious diseases (infectious physiopathology, immunology, microbiology, epidemiology, virology, parasitology) and public health activities (diagnosis, monitoring, resistance, etc.). It must be consistent with the candidate's research area. **Application Due Date: April 15, 2017.** <https://www.pasteur.fr/en/education/fellowships-and-mobility-aids/traineeship-grants-calmette-and-yersin>

NEHA / AAS Scholarship Awards: Undergraduate - The purpose of the NEHA/AAS Scholarship program is to encourage early commitment by students to a career in Environmental Health and to stimulate past and present graduates to pursue postgraduate studies in EH sciences. The program offers financial assistance to individuals with a demonstrable need, and serves to introduce adequately trained professionals into the EH workforce. The undergraduate scholarship is to be used toward the tuition and fees associated with either the junior or senior year of college studies. **Application Due Date: March 15, 2017.** <http://www.neha.org/professional-development/students/scholarship>

Fahs-Beck Fund for Research and Experimentation Doctoral Dissertation Grant Program (Fahs-Beck Scholars) - Grants of up to \$5,000 are available to help support dissertation expenses of doctoral students in the United States and Canada whose studies have the potential for adding significantly to knowledge about problems in the functioning or well being of children, adults, couples, families, or communities, or about interventions designed to prevent or alleviate such problems. The research for which funding is requested must focus on the United States or Canada or on a comparison between the United States or Canada and one or more other countries. **Application Due Date: April 1 and November 1 annually.** http://www.fahsbeckfund.org/grant_programs.html

Fahs-Beck Fund for Research and Experimentation Faculty/Post-Doctoral Grant Program (Fahs-Beck Fellows) - Grants of up to \$20,000 are available to help support the research of faculty members or post-doctoral researchers affiliated with non-profit human service organizations in the United States and Canada. Areas of interest to the Fund are: studies to develop, refine, evaluate, or disseminate innovative interventions designed to prevent or ameliorate major social, psychological, behavioral or public health problems affecting children, adults, couples, families, or communities, or studies that have the potential for adding significantly to knowledge about such problems. The research for which funding is requested must focus on the United States or Canada or on a comparison between the United States

or Canada and one or more other countries. **Application Due Date: April 1 and November 1 annually.**
