

## **Weekly Funding Opportunities**

**May 31, 2017**

Below are this week's funding opportunities and announcements from the School of Public Health Offices of Research and Development. If any of the funding opportunities pique your interest, contact Director of Research Erica Bentley for sponsored projects or Director of Development Karen Galentine for private foundations and corporations.

### **STUDENT RESEARCH OPPORTUNITIES AND FELLOWSHIPS**

**Frank W. Putnam Trauma Research Scholars** - The award is offered to student members who submit proposals judged to have the greatest potential to contribute to the field of traumatic stress. Applicants must be currently enrolled and in good standing in a postgraduate program in a field with relevance to the study of traumatic stress. Such programs include but are not limited to those in Psychology, Social Work, Public Health, Nursing and Medicine. Applicants must be student members of the ISTSS.

Applicants who have previously received this award may apply again, but new applicants will receive priority consideration in the process. **Application Due Date: August 15, 2017.**
