

# WEEKLY FUNDING OPPORTUNITIES AND AWARDS

[August 9, 2017](#)

## **Student Research Opportunities and Fellowships**

**American Association of University Women (AAUW)**--International Fellowships are awarded for full-time study or research in the United States to women who are not U.S. citizens or permanent residents. Both graduate and postgraduate studies at accredited U.S. institutions are supported. Recipients are selected for academic achievement and demonstrated commitment to women and girls. Recipients return to their home countries to become leaders in business, government, academia, community activism, the arts, and sciences.

Fellowships are available for study in the USA. A limited number of awards are available to women who are members of the International Federation of University Women for study in any country other than their own. **Due dates for Applications for AAUW International Fellowships are open August 1–December**

## **International Association for the Exchange of Students for Technical Experience (IAESTE) Traineeships**

- These traineeships offer students the opportunity to gain work experience abroad. Operating in over 80 countries, IAESTE sends students all over the world. All traineeships are paid, course related, and give students the chance to fully immerse themselves in a new country and culture. Trainees are part of a world-wide network and are supported through the entire application process, from work permits and visas, to accommodation and a social programme. **Application Due Date:**

**Applications are accepted on a rolling basis.** [http://iaeste.org/student\\_pages](http://iaeste.org/student_pages)

**National Heart Foundation of Australia Collaboration and Exchange Awards** - These awards help Heart Foundation funded scholars and postdoctoral fellows visit other research

facilities to collaborate and share knowledge. The Awards offer funding to visit research facilities across Australia and overseas, to develop new national and international collaborations. Recipients have the opportunity to exchange innovative ideas, knowledge and skills, and to further and strengthen their activity and career. **Application Due Date: September 8, 2017.** <https://www.heartfoundation.org.au/research/apply-for-funding/collaboration-and-exchange-awards>
