American Foundation for Suicide Prevention (AFSP) Standard Research Innovation Grants - We define priorities for funding every two years to stimulate research in understudied areas. We also encourage applications that address the priorities set out by the National Action Alliance for Suicide Prevention's Research Prioritization Task Force. Priority area research applications are reviewed along with the general pool of grant applications, with priority given to strong grants in the designated areas. AFSP suicide research grants program priority areas for 2017-19 - Pain and suicide and Opioids and suicide. **Application Due Date: November 15, 2017.** <https://afsp.org/our-work/research/grant-information/>

TDCF Grants - The Foundation was created in 2008 by The Doctors Company, the nation's largest insurer of medical professional liability for physicians, surgeons, and other health professionals. The purpose of the Foundation is to support patient safety education for healthcare professionals in training and in practice, and patient safety research with clinically useful applications. In this context, patient safety is defined as a healthcare discipline that minimizes the incidence and impact of adverse events by redesigning systems and processes using human factors principles to reduce errors. The Foundation does not support clinical research projects primarily involving the provision of medical support services to patients. Construction projects and the purchase of equipment will not be funded. While general funding for medical meetings and conferences will not be considered, support for invited speakers when the principal focus of their presentation is on patient safety, and support for the attendance of healthcare professionals in training at patient safety conferences will be

considered. **Application Due Date: April 15, 2018.** <http://www.tdcfoundation.com/The-Doctors-Company-Foundation>

SOPHE Horizon Award - The award recognizes early career health educators (less than five years) who have distinguished themselves as promising health educators through leadership, creativity, involvement in the profession, and health education practice in their setting. **Application Due Date: September 30, 2017.** <http://sophe.ivygroup.com/about/awards-fellowships-scholarships/horizon-award/>
