

WEEKLY FUNDING AWARDS AND OPPORTUNITIES

September 20, 2017

Student Research Opportunities and Fellowships

Society for Public Health Education (SOPHE) Graduate Student Research Paper Award - This award fosters quality graduate student research and provide a mechanism by which to recognize outstanding graduate students for creative and innovative research. The submitted paper must represent the student's original work. **Application Due Date: September 30, 2017.** <http://my.sophe.org/Awards/Awards-Scholarships/Graduate-Student-Research-Paper-Award>

Partnership for Clean Competition PCC Fellowship - The Program supports qualified scientists at leading universities or non-profit scientific institutions who are interested in the field of anti-doping, are committed to meaningful research, and demonstrate potential for long-term contribution to the field of anti-doping science. The Program represents an investment in the future of the anti- doping science community. The program supports qualified scientists and business professionals at leading universities and non-profit scientific institutions who demonstrate strong interest and potential for long-term contribution to the fields of anti-doping science. **Application Due Date(s): Pre-applications: March 1, July 1, and November 1; Full applications: April 1, August 1, and December 1.**

Obama Foundation Fellowship Program - The Obama Foundation Fellowship program seeks to support outstanding civic innovators from around the world in order to amplify the impact of their work and to inspire a wave of civic innovation. Fellows will be a diverse set of community-minded rising stars – organizers, inventors, artists, entrepreneurs, journalists, and more – who are altering the civic engagement landscape. By engaging their fellow citizens to work together in new and meaningful ways, Obama Foundation Fellows will model how any individual can become an active

citizen in their community. **Application Due Date: October 6, 2018.** <https://www.obama.org/fellowship/>

RWJF Health Policy Fellows - The Robert Wood Johnson Foundation Health Policy Fellows program provides the nation's most comprehensive learning experience at the nexus of health, science, and policy in Washington, D.C. It is an outstanding opportunity for exceptional midcareer health professionals and behavioral and social scientists with an interest in health and health care policy. Fellows participate in the policy process at the federal level and use that leadership experience to improve health, health care, and health policy. **Application Due Date: November 15,**

2017. <http://www.rwjf.org/en/library/funding-opportunities/2017/robert-wood-johnson-foundation-health-policy-fellows.html>
