Student Research Opportunities and Fellowships

Burroughs Wellcome Fund Postdoctoral Enrichment Program (PDEP) - The Postdoctoral Enrichment Program (PDEP) provides a total of \$60,000 over three years to support the career development activities for underrepresented minority postdoctoral fellows in a degree-granting institution (an institution includes its affiliated graduate and medical schools, hospitals and research institutions) in the United States or Canada whose training and professional development are guided by mentors committed to helping them advance to stellar careers in biomedical or medical research. **Application Due Date: January 17, 2017.** <http://www.bwfund.org/grant-programs/diversity-science/postdoctoral-enrichment-program>

Herschel S. Horowitz Scholarship - The American Association of Public Health Dentistry Herschel S. Horowitz Scholarship supports dentists pursuing Dental Public Health specialty education in the USA and Canada. Scholarship recipients are expected to pursue board certification in dental public health. **Application Due Date: December 15, 2016.** <http://www.aaphd.org/the-herschel-s--horowitz-scholarship>

NACCHO Health and Disability Fellowship Program - The National Association of County and City Health Officials (NACCHO), a national organization representing the approximately 2,800 local health departments (LHDs) nationwide, has an immediate opening for Health and Disability Fellows. The fellows will either be housed at the NACCHO headquarters in Washington, DC or may work remotely from their graduate school location. The fellows will be responsible for supporting the Health and Disability project team members in meeting the following objectives: 1) Increasing the number of localities and/or states thoughtfully including people with disabilities into mainstream public health promotion activities and 2) Educating the public health workforce on the inclusion of people with disabilities into program activities and interventions. **Application Due Date: Applications are being accepted now (no deadline indicated).** <http://careers.naccho.org/jobs/8546687/health-disability-fellowship>
