Student Research Opportunities and Fellowships

SOPHE Vivian Drenckhahn Student Scholarship - The purpose of this award is to provide support to both undergraduate and graduate full time students in their pursuit of a degree in health education. The scholarships will be given to students who have demonstrated a commitment to addressing the public's health through a career in health education, academic excellence, and financial need. Each year two awards, in the amount of \$1,500 each, will be given. This award is designated for tuition support and is paid directly to the student's academic institution. **Application Due Date: November 2, 2016.**
