STUDENT RESEARCH OPPORTUNITIES AND FELLOWSHIPS

WVU Undergrad Faculty-Led Research Grant - In collaboration with the Office of the Associate Provost for Undergraduate Academic Affairs, the WVU Office of Global Affairs is pleased to offer \$20,000 to promote research opportunities with an international focus, for undergraduate students. These grants are to be used to cover the expenses for undergraduate students to assist in research projects overseas. These funds cannot be used for faculty expenses or salary. **Application Due Date(s): March 15, 2017 (Priority); April 15, 2017 (Final).** <http://international.wvu.edu/funding/faculty/ug-research>

Health and Aging Policy Fellows - The goal of the Health and Aging Policy Fellows Program is to provide professionals in health and aging with the experience and skills necessary to help lead this effort, and in so doing, shape a healthy and productive future for older Americans. The Health and Aging Policy Fellows Program offers two different tracks for individual placement: 1) a residential track that includes a nine-to-12-month placement in Washington, D.C. or at a state agency (as a legislative assistant in Congress, a professional staff member in an executive branch agency or in a policy organization); 2) a non-residential track that includes a health policy project and brief placement(s) throughout the year at relevant sites. The project may be focused at a global, federal, state or community level. **Application Due Date: April 17, 2017.** <http://www.healthandagingpolicy.org/>

Dr. Alma S. Adams Scholarship for Outreach and Health Communications to Reduce Tobacco Use Among Priority Populations - Putting an end to tobacco use depends on young people who are eager to help achieve a tobacco-free generation. That's why Truth Initiative® is offering scholarships to support undergraduate and graduate students who are innovatively confronting tobacco use. Over the past decade, the Dr. Alma S. Adams Scholarship for Outreach and Health Communications to Reduce Tobacco Use Among Priority Populations has recognized students for their commitment to community service and use of the creative arts to raise awareness of tobacco's harmful impacts in disproportionately affected communities. Applicants will be judged on a competitive basis, based on (a) applicants' ability to provide evidence of tobacco related community service in support of an underserved population disproportionately affected by tobacco. (b) best use of the visual arts, media, creative writing or other creative endeavor to convey culturally appropriate health messages aimed at addressing one of the focus areas. **Application Due Date: April 30 2017.** <http://truthinitiative.org/Adams-Scholarship>

Pfizer, Inc. Summer Student Worker Program - Each summer, college and university students join Pfizer as part of our Summer Student Worker Program. The program, which offers summer employment opportunities at various Pfizer sites in the U.S., is designed to help Pfizer businesses and teams accomplish real, impactful projects, while giving students engaging and meaningful work experience. **Application Due Date: Application are accepted from February 1 through March 3, 2017.** <http://pfizercareers.com/student-programs/us-summer-student-worker-program>
