Dear Dr. Martin,

The Review Committee for Preventive Medicine, functioning in accordance with the policies and procedures of the Accreditation Council for Graduate Medical Education (ACGME), has reviewed the information submitted regarding the following program:

Preventive medicine

West Virginia University School of Public Health Occupational Medicine Program  
West Virginia University School of Public Health  
Morgantown, WV

Program 3805577094

Based on the information available to it at its recent meeting, the Review Committee accredited the program as follows:

Status: Continued Accreditation  
Maximum Number of Residents: 8  
Effective Date: 11/14/2019

The Review Committee commended the program for its demonstrated substantial compliance with the ACGME's Program Requirements and/or Institutional Requirements without any new citations.

The ACGME must be notified of any major changes in the organization of the program. When corresponding with the ACGME, please identify the program by name and number as indicated above. Changes in participating sites and changes in leadership must be reported to the Review Committee using the ACGME Accreditation Data System (ADS).

Sincerely,

*Jorraine C. Lewis EdD, RD*
